# SHIELD

*Volume XVLLL*

*St. Martin's Episcopal School  
Metairie, Louisiana*

The secret of remaining young  
is never to have an emotion  
that is unbecoming.

## Foreword

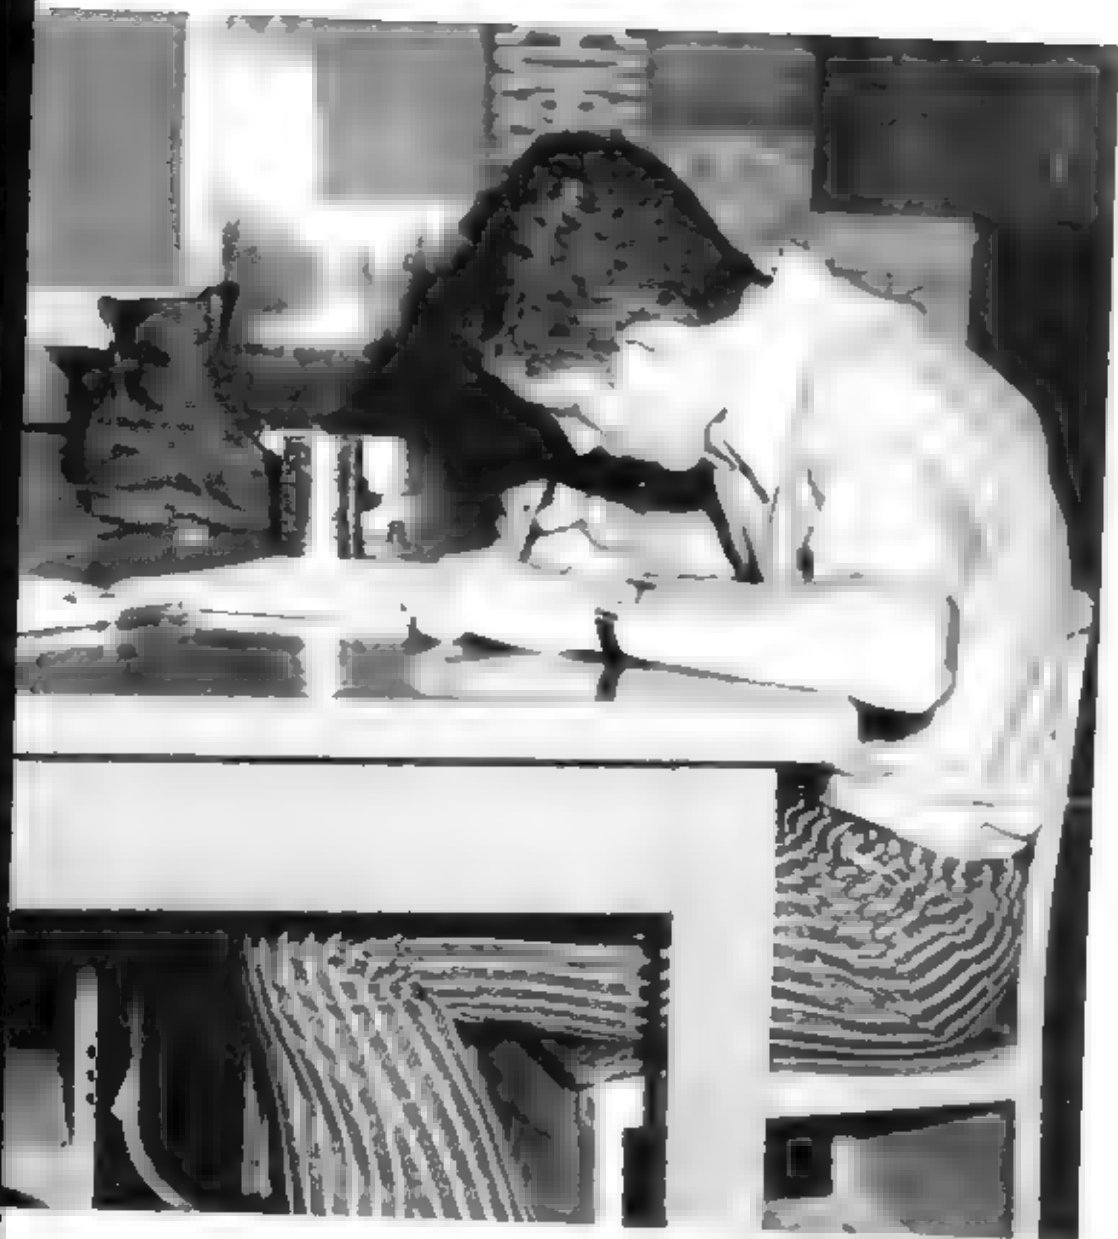

The faces of the St. Martin's students are many and varied. In order to present these changing moods, the SHIELD staff uses emotion as the theme for the 1971 edition. It is our hope that through pictures, the various school activities will depict the diversified feelings of St. Martin's student life.

*In Memory of  
Wesley Samples*

A boy's will is the wind's will,  
And the thoughts of youth are  
long, long thoughts.

*Faith  
Scholarship  
Service*

With great appreciation and admiration, the SHIELD staff proudly dedicates the 1971 edition of the SHIELD to a teacher whose warm character and sincere concern for her students has long been a part of St. Martin's.

# Headmaster's Message

Those of you who, in the future, peruse the pages of this copy of the SHIELD, will find that it reflects the activities, moods and styles of the students of this school year 1970-71. This year has indeed been one of change in attitude and outlook. It is as if young people have turned the corner from contentiousness and hostility toward authority, and away from the view that the only way to change things is to destroy them.

This is hopeful and reassuring in a sense, but we adults must not delude ourselves into thinking that the disenchantment of young people with the way we in authority are running things is but a passing fancy. They want a world of honesty, justice, and compassion. They want a world more concerned with the human condition in contrast to success spelled out in terms of the accumulation and proliferation of 'things.'

It is essential that as adults we, too, turn the corner in our attitudes and thoughts. We must come to recognize that the complexity of existing problems are of our own making. And we must be flexible, honest and intelligent enough to redesign our priorities. At the same time we must provide those educational opportunities for our youth which will enable them to gain the background and determination to manage the problems which are threatening them and to point toward a more helpful future for all mankind.

*Ellsworth O. Van Slate*

# English

The chief function of the English Department is to foster understanding and appreciation of our language, as well as to provide instruction in the preferred forms and structure of this language. Since this discipline is repetitive and cumulative, efforts are made to correlate the work on all levels. In addition to basic instruction in literature, composition, and grammar for all students in the upper school, members of this department have also assumed responsibility for the school publications and dramatic activities.

# Foreign Language

Three years of a foreign language are required toward graduation at St. Martin's School. The students have a choice of either French, Spanish, or Latin. Latin is being gradually phased out and will eventually be replaced by either German or Russian.

In the Modern Languages, we try to teach the students to understand, speak, read, and write the language - with special emphasis on understanding and speaking. To fulfill those aims, the direct approach is used to avoid as much as possible the use of English in the classroom.

The science teaching of the past decades is most inappropriate for the world we live in today and will be even less suitable for the world of tomorrow.

We are undergoing a revolution in sciences. A close partnership has been developed between science and the economics, social, educational, and political issues of our time. Today there are few problems in any of these areas that can be discussed to their fullest meaning in the absence of a scientist.

Today all over the world and among all peoples there is an awareness that scientific literacy is essential to an understanding of the nature and events of contemporary civilization.

# Mathematics

At St. Martin's, as in most other secondary schools, there has been considerable change in the mathematics curriculum. For the 1970-71 year, we have offered calculus for the first time. This is an advanced placement course and may earn college credit for those who pass the advanced placement exam with a sufficiently high score. Only those students who have taken Math IV in their junior year will be qualified for the calculus course.

The Social Studies Department is increasingly focusing on the need to prepare students to deal intelligently and humanely with the expanding complexities of modern society. Its aim is to utilize the tools of history, government, geography, sociology, economics, and anthropology to develop skills and concepts from which rational and meaningful decisions can be made in a world of changing social forces and conflicting ideologies.

# Faculty Follies

Now children, give me back my Playboy.

What do you mean I've been suspended?

When you said you were developing Miss April, I never dreamed it was the one for the magazine.

And then Tiger, when she showed up in the laced shirt without a ...

And now, for my next act.

Ten paces and commence firing.

What did you call me, boy?

What do you mean I've done the problem the wrong way?

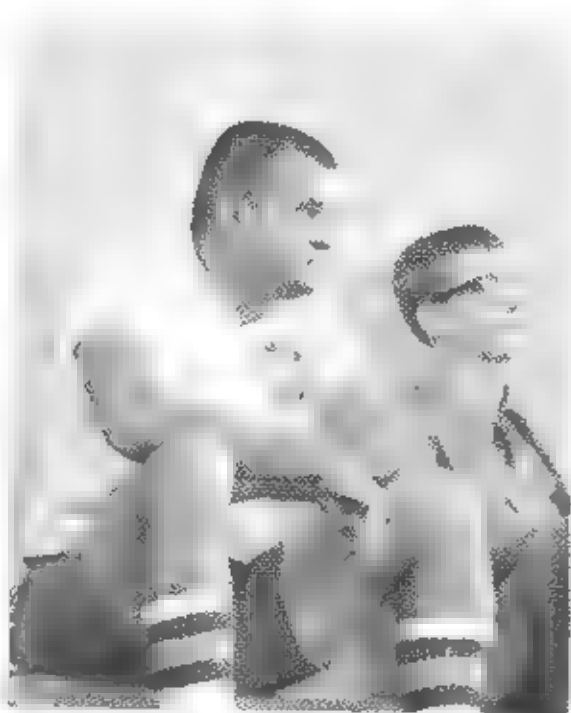

I don't think I could ever take Mr. Walsh's place.

And to think, I'm supposed to have the advanced class.

Yes, life among the hippies is coming along fine.

I left Country Day for this!

Those books on your reading list are sure something.

Wendy bolws another one!.

Birdie, Birdie in the sky ...

Oh, Mike, we're gonna have so much fun at LSU next year.

Yuk, Yuk, If they think they're gonna get a payraise, they're crazy!

Look Jaime, I can touch the ceiling too!

Julie and her Funky Mu Act!

I finally see the light

Uh Oh; It's time for Allma Mauda

I knew I'd get stuck with the queen of spades.

Dianne uses Dial - bet she wishes everybody did!

With friends like these who needs enemies.

If only I could get to my spinach I could break these ropes and save Olive Oil.

Quiet on the right flank!

Mademoisell Leanie - Duck.

It's not them I'm worried about, finding the booze, it's the chaperones.

Sing it, Louise?

Philip and Gary studying?

This is the last time I'm telling you Jamie - I'M 5'9".

Anthropology - Bummah, Bummah!

Ho, ho, ho, think I better go . . .

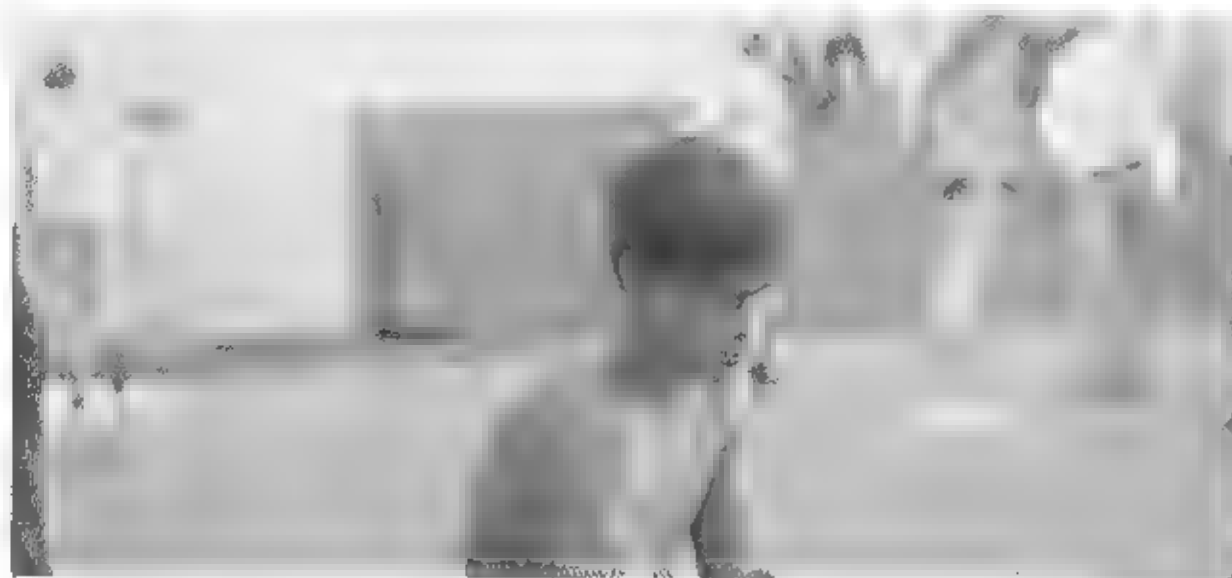

I've heard of short skirts, but that's ridiculous!

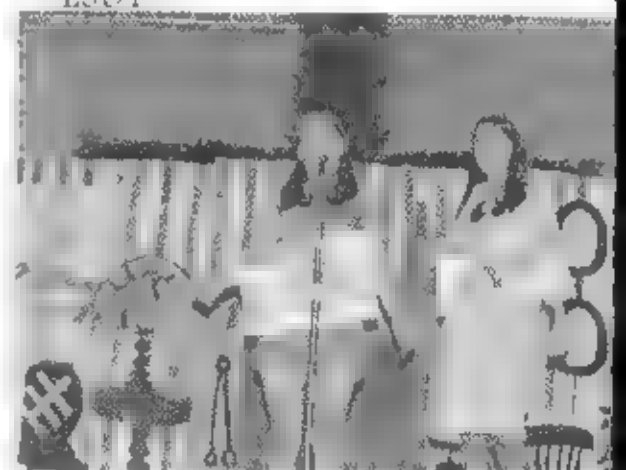

I wonder whose lock I ended up with this week?

I'm proud to say all 72 are going LSU!

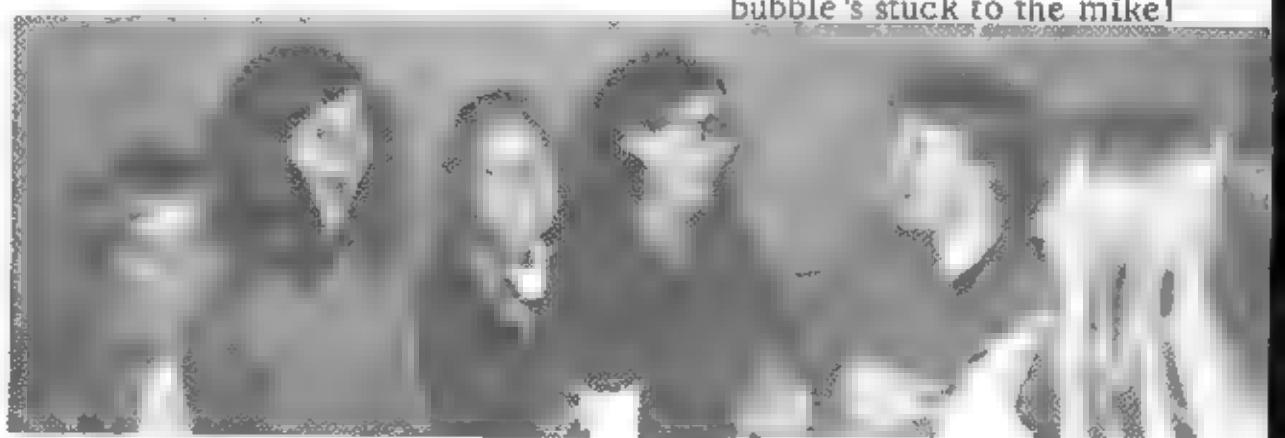

If I get knocked down one more time . . .

Uh, Bev, I hate to say this but your bubble's stuck to the mike!

What do you mean - take my foot off your head?!

Can you guess which one is really a 32 year old housewife?

The Grangerford-Shepherdson feud resolves temporarily for a picture.

Why, before my Mark Eden Developer course, I looked just like you Charlie!

C'mon Corder, stop showin off your big feet.

Wonder Bread asks, "How big do you want to be?"

My bumps are better than my grinds!

My girale is killing me!

Whad d'ya say about the mrs.?!

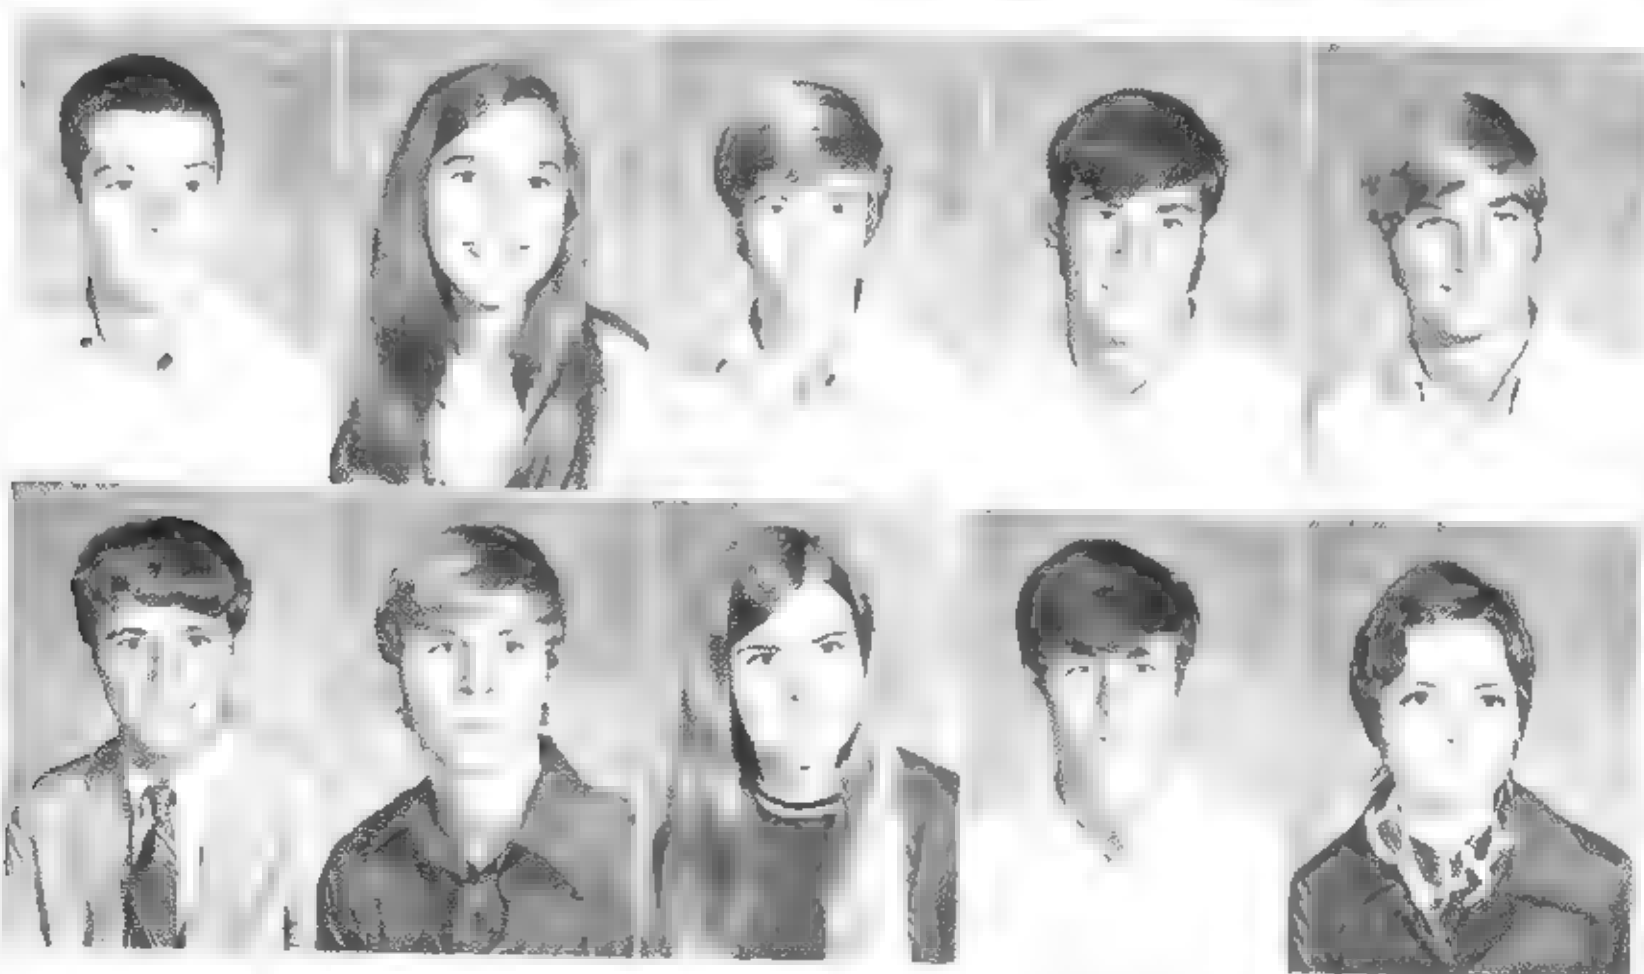

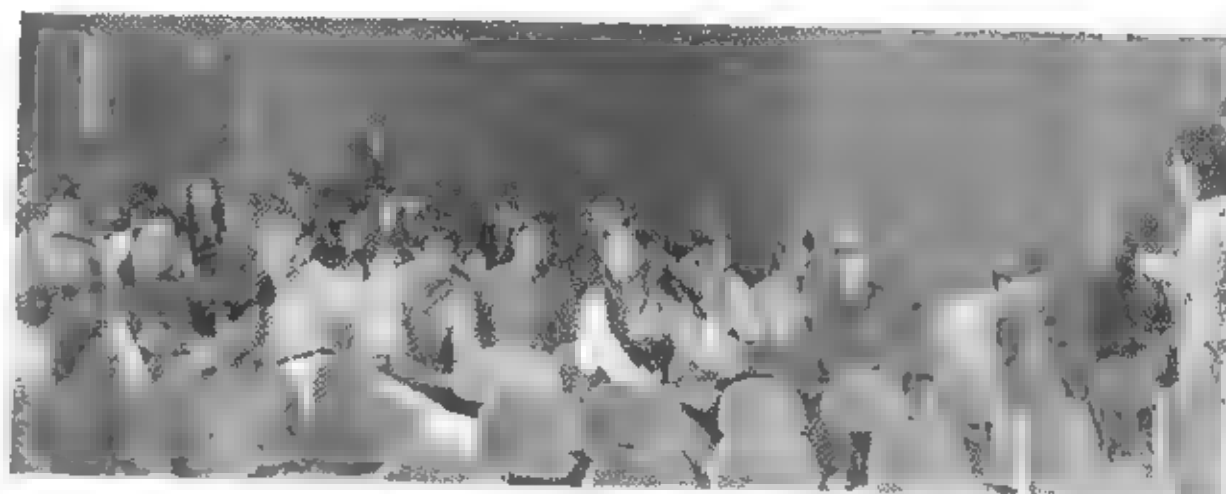

But dearest, you don't look like a Yale man.

For one week in August, over 1,000 boys and girls from the entire state met at the L. S. U. campus for a rigorous program designed to give the students a first hand experience in government on the city, parish, and state levels. This year, Joey Durham and Carson Llewellyn were delegates to Boys' State, Sally Pettit and Wendy Wolf to Girls' State. Carson was a member of the House of Representatives, Sally was on the School Board, and Joey and Wendy were both judges. Wendy was also elected to the State Office of Custodian of Voting Machines.

## Mandeville

The Saints opened the 1970 football season with a disappointing loss to the Mandevill Skippers. The Saints received the opening kickoff and drove down to the Mandevill four yard line. Monty Burlingame did the honors and crashed in to score on the four-yard burst. The following conversion failed. After receiving the Saints kickoff, Mandeville opened its scoring on a 47 yard run by halfback Sammy Sams. Their two point conversion was good.

In the second quarter, the Saints fought their way down to the Mandeville one-foot line. On a debatable call, Bill Ball's dive up the middle was ruled no good, and the Skippers gained possession of the ball on their own one-yard line. On the very next play, Mandeville back Danny Thompson raced 99 yards for a touchdown. Their conversion attempt failed. The scoring ended in the fourth quarter on a four yard run by Sams of Mandeville. The Saints played a spirited game, but were defeated 20-6 by the powerful Skippers.

## Country Day

Recovering from their opening game loss to Mandevill, the mighty Saints smashed the Country Day "Daisies" 20-0. Three long scoring plays put the Saints' points up on the board. Late in the first quarter, swift Joey Durham outran the Country Day defense on his way to a 66 yard touchdown run to get the Saints' first points. The conversion attempt for 2 points failed.

The powerful Saints scored again on a 57 yard screen pass from Gary Brewster to Monty Burlingame, capping a 79 yard drive. A key block by Benton Gay sent the fleet Burlingame on his way. Burlingame also ran in the conversion for two more points.

A fake punt by the "Daisies" failed and St. Martin's regained possession on the Country Day 42. The second play from scrimmage, Gary Brewster uncorked a 36 yard aerial to Keith Maxson, who sprinted for a touchdown. The conversion attempt failed.

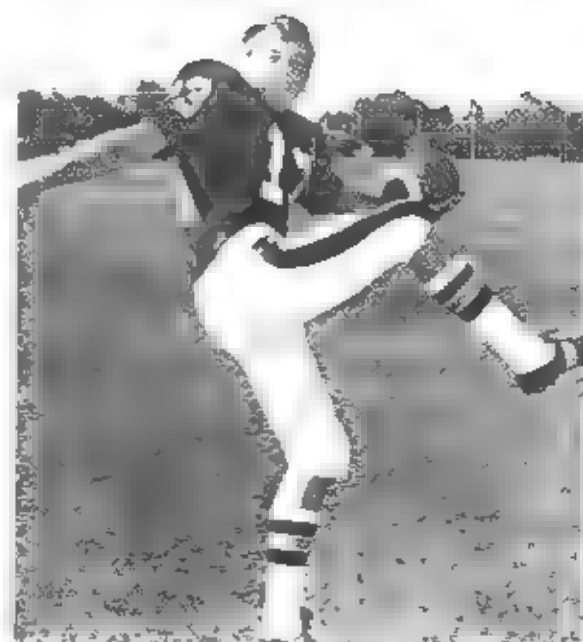

The tough Saint's defense did not allow the "Daisies" a first down in the second half and only one in the entire game. The Saints ground out 117 yards rushing and tossed for 95 more, netting 212 yards total offense.

## McDonough 35

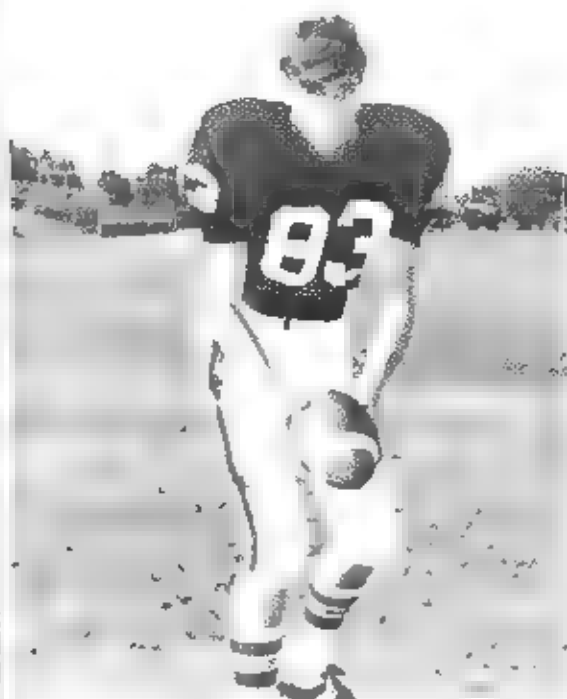

The tough Saints added another victory to their record in beating McDonough 35 by a score of 20-6 at Behrman Stadium.

McDonough 35 surprised the Saints by posting a 6-0 lead early in the second quarter. The Saints were quick to rally and knotted the score at 6-6 on a 5 yard burst by Monty Burlingame. The half ended with the score tied at 6-6.

St. Martin's came back in the second half and played spirited ball. The Saints drove down to McDonough's one yard line. Bill Ball got the nod and crashed in to put the Saints ahead 12-6. Monty Burlingame ran in the conversion to up the score 14-6.

The Saints clinched the victory when Keith Maxson grabbed a 29 yard pass from Gary Brewster for the final touchdown in the last quarter.

In smashing McDonough, the Saints proved that they could fight back when losing.

## Buras

St. Martin's won their first district game played by edging past the Buras Wildcats 14-8. Quarterback Gary Brewster and halfback Joey Durham led the Saints to victory by scoring a touchdown apiece.

The Saints struck first in the opening period after Benton Gay recovered a blocked punt deep in the Wildcats' territory.

The Saints' score came when Joey Durham crashed over the goalline from six yards out. The conversion attempt failed.

Buras managed to put some points on the board before half-time with a 13 yard touchdown pass that capped a 70 yard drive. The tow point conversion was successful and Buras led at half-time 8-6.

The third quarter was a defensive battle, as most of the game was. Neither club was able to score in the third period.

The turning point of the game ossurred in the fourth quarter when Mike Sistrunk crashed through the Buras line and nailed the Buras runner in the endzone for a safety. This knotted the score at 8-8 and gave the Saints the momentum that they needed.

After an exchange of punts, the Saints fought 70 yards down to the Buras one yard line. Gary Brewster, sneaked across the goal line behind the powerful blocking of the Saint's offensive line. The conversion failed, leaving the score at 14-8.

The major credit for the Saints' hard-fought victory goes to the stout defense, who held the strong Buras offensive machine to only one touchdown.

## Ben Franklin

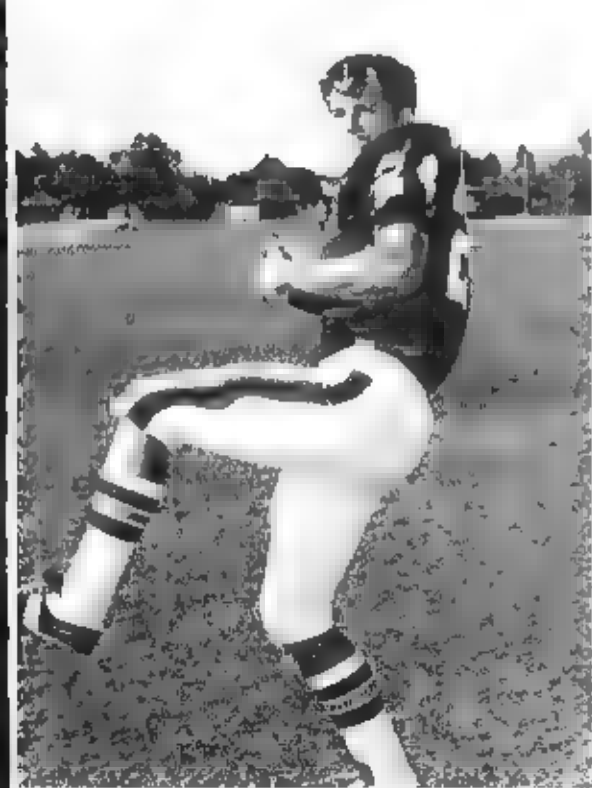

St. Martin's Saints, having beaten Buras the previous week were stunned by a tie with the Ben Franklin Falcons.

The Saints steadily ran up and down the field on offense, but only scored once. Bill Ball blasted in for the Saint's only points of the evening, making the score 6-0.

St. Martin's drove within the Falcon's twenty yard line four times, but stalled and failed to score.

The Saint defense held the Falcons for the whole game, except on one drive in the fourth quarter when the Falcons managed to sustain a drive and score. This knotted the tally at 6-6 and ended the scoring for the game.

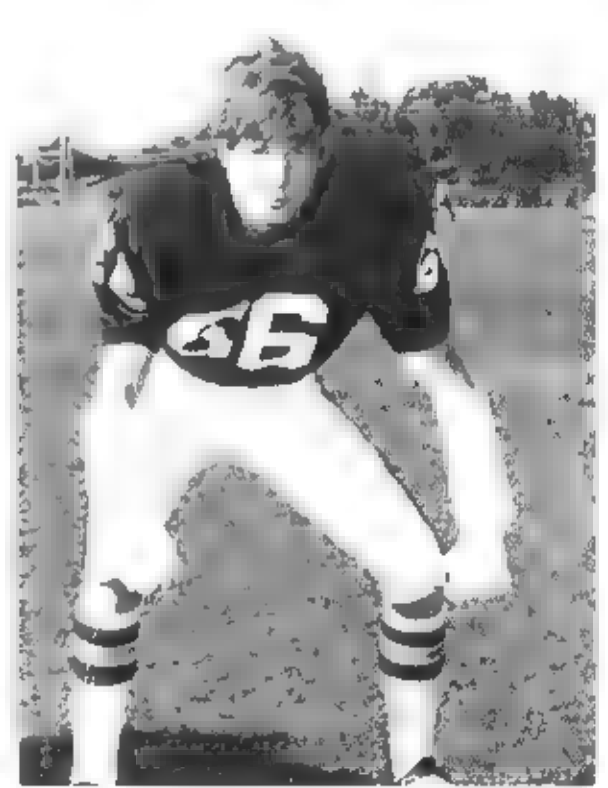

The Saints marched up and down the field on offense following fine performances by halfbacks Bill Ball and Joey Durham, but were able to score but six points.

## Sam Barthe

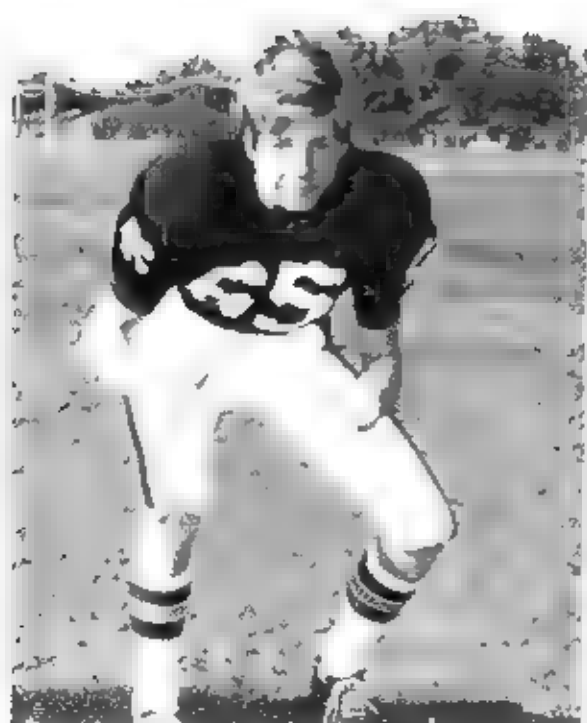

St. Martin's was overpowered by the Sam Barthe Hornets 32-0 in the Saints third district game. Barthe's massive offensive attack proved to be the Saint's downfall as the Hornets netted 381 yards total offense.

The Saints fought dauntlessly in the first quarter, allowing Barthe no points. Barthe, however, tallied 24 of their 32 points in the second quarter, despite several outstanding defensive efforts by Saints.

The second half was a much more evenly fought ball game. The Hornets were held scoreless in the third quarter and were allowed but one touchdown in the final period.

Bill Ball turned in an outstanding effort for the Saints' offense, while Mike Sistrunk anchored the defense and gave Barthe runners much trouble.

At this point, the Saints were 1-1-1 in district play.

## St. John

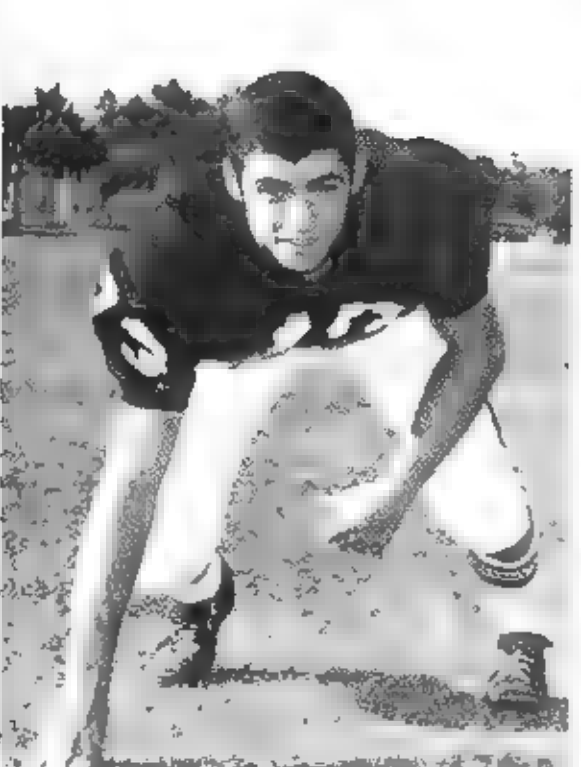

Aroused by a smashing defeat at the hands of the Sam Barthe Hornets, the St. Martin's Saints celebrated homecoming by literally crushing the St. John Chargers in a 40-6 romp. The Saints capitalized on the long scoring play several times.

St. John's lone score came in the third quarter on a 43 yard touchdown. The rest of the game was all for the Saints.

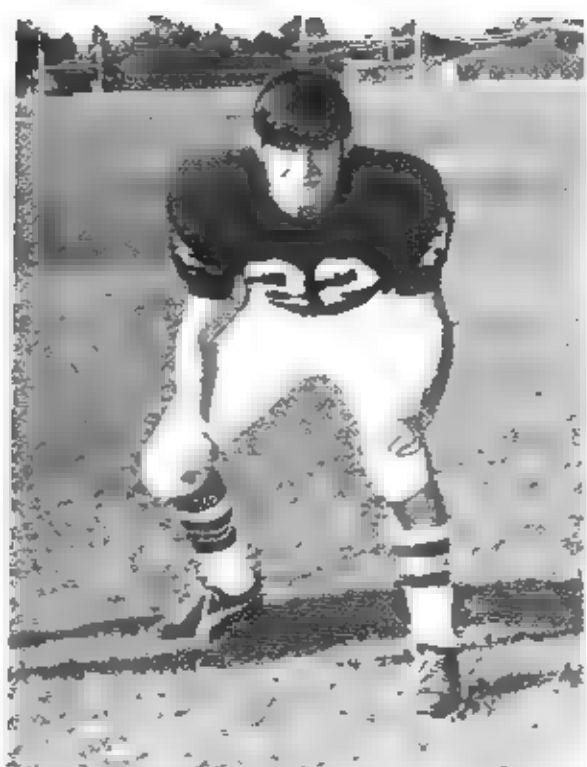

Bill Ball started the scoring spree for the Saints on the fourth play of the game when he crashed through the middle and raced 49 yards for a touchdown. The second quarter's scoring consisted of two Saint touchdowns. Gary Brewster broke loose for a 33 yard touchdown jaunt. Keith Maxson added the finishing touch for the first half by breaking several tackles and racing for another 33 yard touchdown on an end-around.

Gary Brewster crossed the goal line again in the third quarter, this time on a 65 yard long scamp to set the score at 28-6. The final period saw Ball crash over from the one yard line for his second score of the game. Richie Rusch scored his first touchdown of the year on a 43 yard sprint, ending the Saints' scoring contest. The Saints offense ground out 395 yards on the ground and 17 in the air.

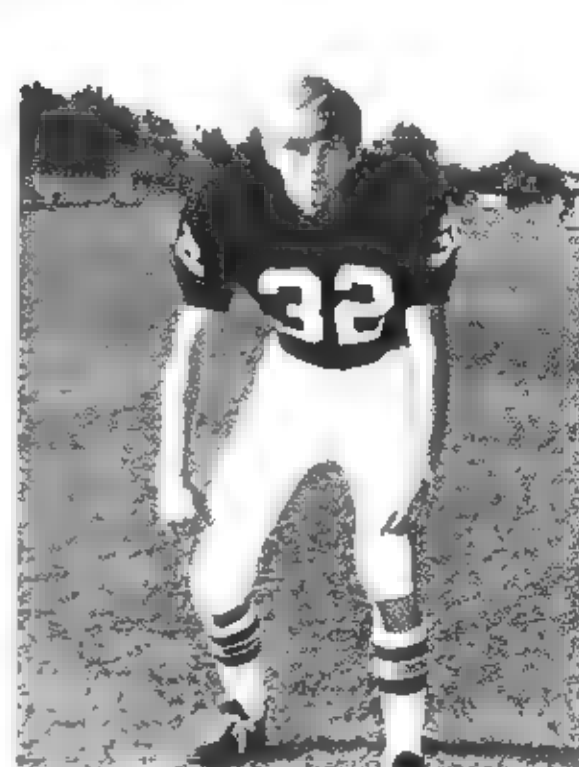

The Saints offense was by no means the only decisive factor in the game. The stout St. Martin's defense crushed the Charger's offense completely, allowing but one score. Defensive stalwarts for the Saints included Mike Sistrunk, Philip Hatch, Carson Llewellyn, Mike Kantor, and David Hesse.

## Vandebilt

The Vandebilt Terriers of Houma led by quarterback Fritz Rau, outpowered the Saints 33-14.

St. Martin's surprised the favored Terriers when Gary Brewster hit Keith Maxson on a 6 yard pass for the first score of the game, giving the Saints a 6-0 edge.

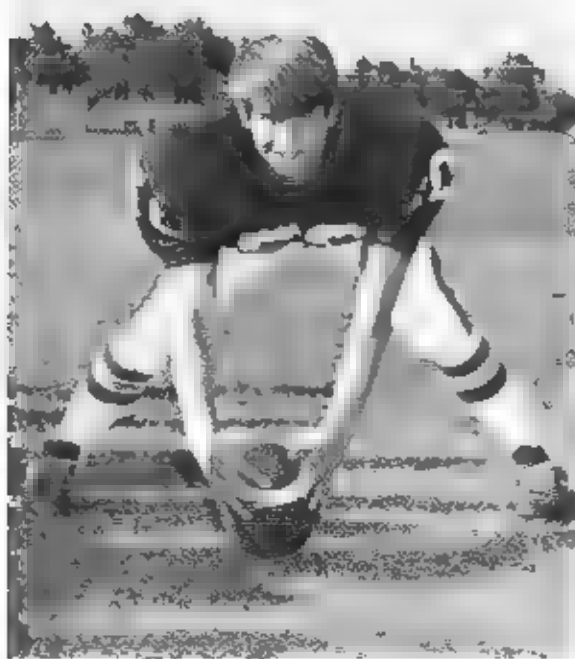

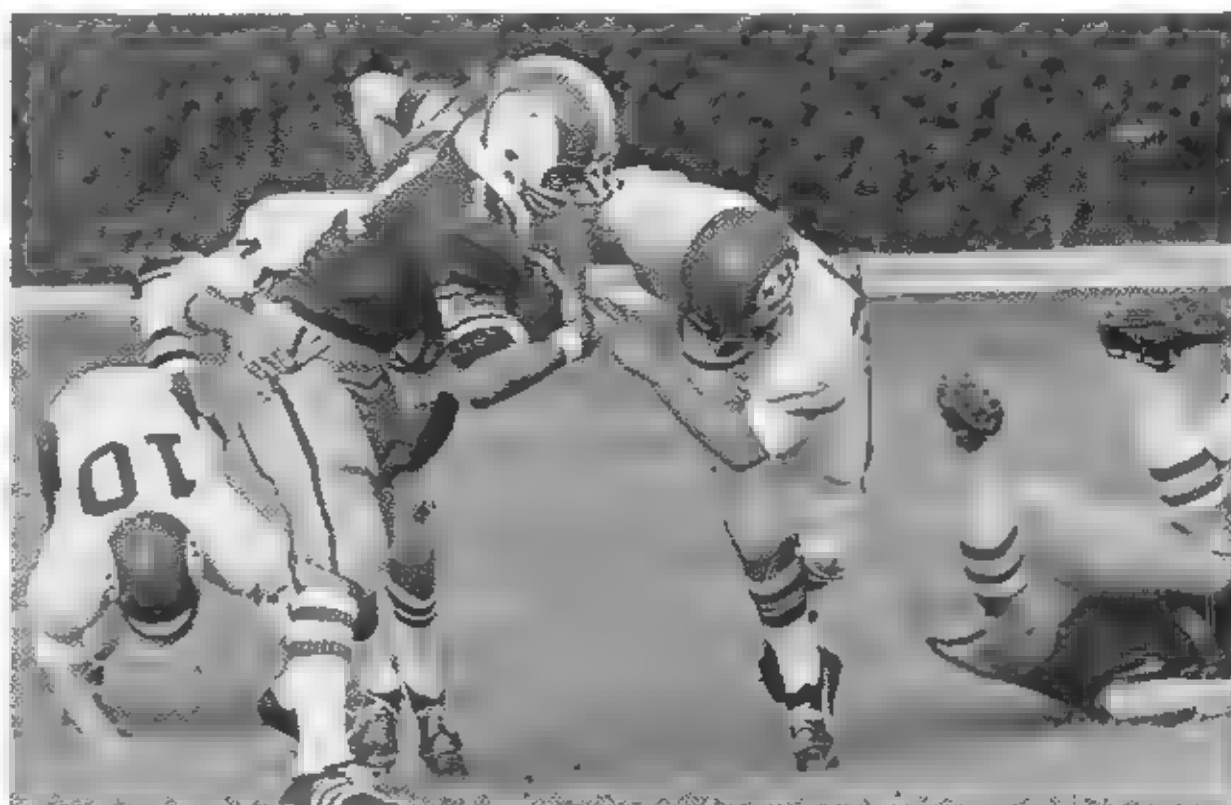

The mighty Saints defense held Vandebilt on the ensuing series and regained possession of the ball. A Saint's fumble was scooped up by a Terrier who raced 66 yards for a touchdown, putting Vandy ahead 7-6.

Not giving up, Bill Ball literally ran over 3 defenders on his way to a 42 yard touchdown jaunt. The conversion pass from Gary Brewster to Willie Hatch shoved the Saints in front, 14-7. Vandebilt came back late in the second period on a 21 yard scoring pass by outstanding quarterback Fritz Rau. In the final moments of the same quarter, Rau again connected for a 10 yard score, putting the Terriers ahead, 20-14.

The Saints were again plagued by Rau in the second half as he led the Terriers to two more touchdowns, ending the game with Vandy ahead, 33-14.

The Saint defense put up an excellent effort, being led by Willie Hatch, David Hesse, Carson Llewellyn, and Foster Duncan. Hatch and Hesse intercepted several key passes, stalling Vandebilt drives.

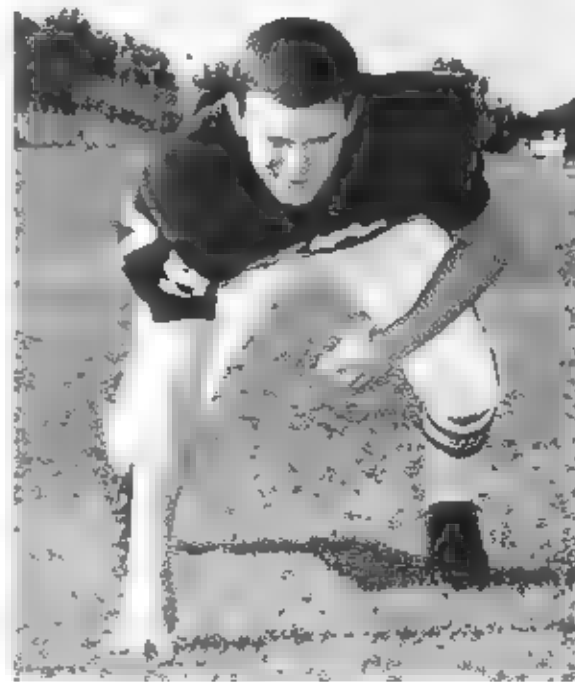

Bill Ball led the Saints offense, grinding out 88 yards against the overpowering Vandebilt defense.

## Newman

St. Martin's ended the 1970 football season on a grand note by smothering the Newman Greenies 20-14.

Bill Ball and Gary Brewster led the mighty Saint offense as they overpowered the "strong" Newman defense.

After holding Newman following the opening kick-off, the Saints wasted no time in scoring. On the second play, Bill Ball romped through a huge hole in the line for a 79 yard touchdown. Willie Hatch grabbed a pass from Gary Brewster for the 2 point conversion.

Recovery of a Newman fumble put the Saints deep in Newman's territory. Ball again ran over the Greenie's defense, this time for a two yard score, giving the Saints a 14-0 lead.

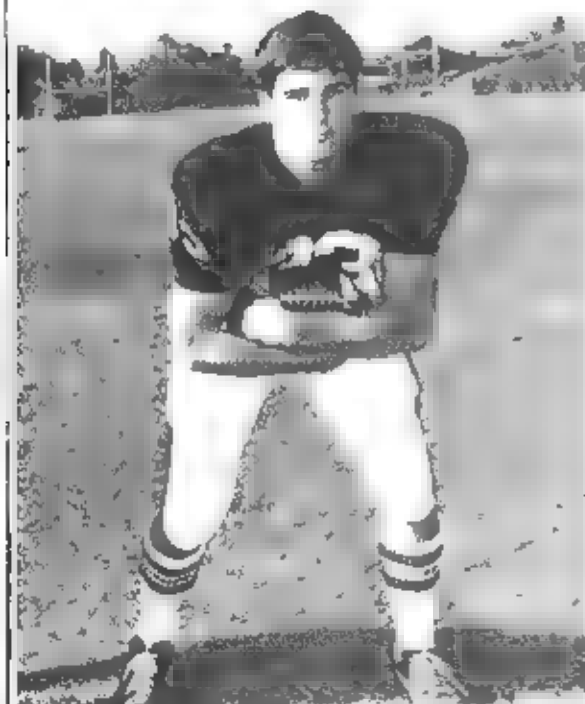

Newman, no pushover, came back late in the first quarter for a one yard touchdown. Newman again managed to squeeze by the tough Saint defense with 2 minutes left in the first half for another one yard score, knotting the score at 14-14.

The second half of the game was all for the Saints, a Newman was held scoreless. Newman had the ball for only one series of plays in the third quarter as the Saint offense controlled the game. Gary Brewster scored the winning touchdown by dashing in from the five yard line. The Saints now led 20-14.

Willie Hatch saved the game with a timely interception, stopping a Newman drive late in the fourth quarter.

The Saint offense then proceeded to drive down to the Newman six yard line and, with 46 seconds left in the game, let the clock run out. The score was set at 20-14, the Saints having beaten Newman for the first time in seven years.

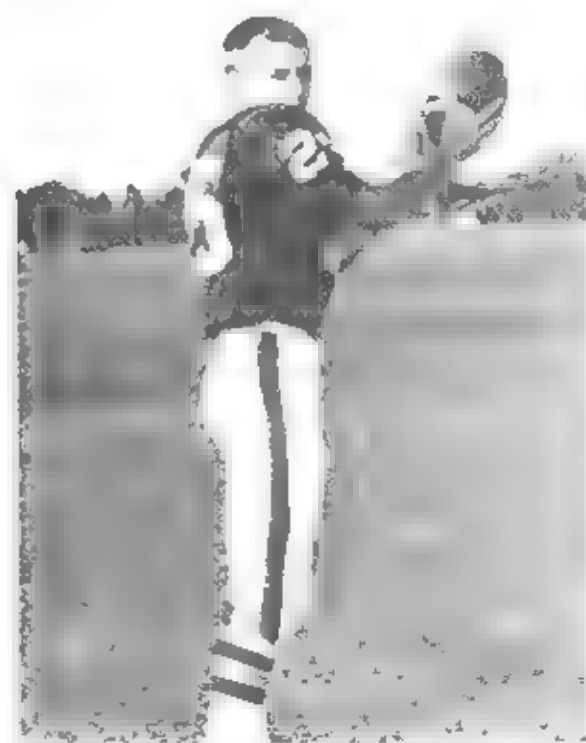

Philip Hatch and Mike Sistrunk were the defensive stalwarts for the Saints.

The 1970-71 Saints started the season in fine fashion by winning two tournaments in December. They defeated tough St. Bernard to gain the Riverside Championship for the second year in a row and they won the Port Sulphur Holiday Invitational. Their December record was 12 wins and 3 losses. District play started in January and the team got off to a bad start by losing their first two district games. However, they came back strong by winning the next three district games. In both efforts against arch-rival Newman; however, the team played exceptionally well losing the first in overtime and losing the second by one point. If they had played as well against the other district opponents, they would have gotten into the state play-offs.

I would like to thank co-captains Phil Harch (all district honorable mention) and Gary Brewster (all district 2nd team) for their fine efforts this season. Also thanks go to seniors Mike Kantor, John Corder, Ty Cook, and Keith Maxon. These boys had a 19-12 win-loss record this year and a 23-19 record their junior year giving them a 42 win and 21 loss record for their varsity careers. This is a fine record, one to be proud of . . . Congratulations boys.

Coach Rick Dike
